

Join our International Trade Clinics on 14th September and find European business partners for FREE

Introducing
The Team

The International Trade Centre (ITC) for Liverpool City Region provides a one-stop-shop service for international business support on Merseyside with a team of International Trade Executives, many of whom are overseas market specialists. Advisors from the Euro Info Centre North West will also be here all day to help you to find your perfect business partner in Europe.

Pre-book a
clinic session

We invite you to take half an hour out of your schedule to reserve 1-2-1 slots with one or more International Trade Executives – see over for booking options.

During the day, pre-booked clinic sessions will be available for

- Markets: Ireland, Spain, China, South Africa, Czech Republic, Hungary, Romania, Australia, UAE
- Export documentation
- UK Trade & Investment (UK Government international trade services)
- SME grants for International Trade
- Euro Info Centre North West
- You can also book a more general discussion with an adviser to establish what your business will need to do in order to begin exporting.
